TOILET & DRAIN STUFF

Is an acid based, honey coloured, water thin liquid, specially formulated to clean and sterilize toilet bowls and urinals.

The product's acid foundation, together with the specially blended quick acting ingredients, enables **TOILET & DRAIN STUFF** to rapidly cut through unsightly blemishes.

Proven one-step cleaning action penetrates soap scum, mildew stains, hard water deposits and uric acid coatings easily, without undue need for scrubbing.

Versatile

TOILET & DRAIN STUFF is a mild acid formula and will not harm acid resisting surfaces such as porcelain, vitreous china, fibreglass, etc. Directions for Use

TOILET & DRAIN STUFF should be used as supplied. Apply by means of a squeeze-bottle or brush, allow sufficient time for dissolving unsightly surface coatings, brush away stubborn deposits and rinse with clean running water.

Caution

Always wear gloves and suitable protective gear when using

TOILET & DRAIN STUFF, as it is a corrosive and irritating product when in contact with the skin or body.

Characteristics

Total active ingredients	23%
pH Value	0.1 – 2.0
Specific gravity	1.060 – 1.074
Colour	Honey

Completely soluble in water
