PRODUCT DATA SHEET: CLEAN CARGO HIGH PRESSURE CLEANER (CLEAN CARGO)

CLEAN CARGO is a super strength detergent concentrate designed for use with high pressure cleaning equipment.

PRODUCT USE

CLEAN CARGO's High-Powered Cleaning characteristics provide quick penetration, drives away greasy, grimy soil and road film. It removes road film and other tough soils from painted metal, painted wood and fibreglass surfaces. Brushing, sponging and other manual agitation is not required.

PRODUCT DESCRIPTION

Form	Water thin liquid
Colour	Red
Solvent	None
pH (concentration)	11.8 - 12.5

DIRECTIONS FOR USE

1. Pour **CLEAN CARGO** concentrate into the detergent compartment of pressure washer. Set the mixing knob to achieve a 1 in 40 dilution. Select nozzle for spray pattern of 15° to 45° for normal soil conditions. Use lower spray pattern angle for heavier soils. Minimum of 400 psi pressure is recommended.
Note: Experimentation with various dilutions and spray pattern angles is recommended to achieve maximum cleaning performance and economical in-use dilution.
2. Depending on the soil build-up, hold pressure washer nozzle 300mm to 1000mm from the painted surfaces to be cleaned. Apply **CLEAN CARGO** starting from the bottom of the vehicle or machine to be cleaned, working upwards.
3. Permit minimum 30 seconds penetration time, but do not allow **CLEAN CARGO** to dry on the surface.
4. Holding nozzle 150mm to 300mm from the surface, pressure rinse thoroughly at right angles, starting at the bottom, working upwards. Rinse again, starting from the top working down.

PRECAUTIONS

- Avoid contact with the eyes.
- Keep out of reach of children.

FIRST AID

In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
If swallowed, do not induce vomiting, seek medical advice immediately and show container or label.

Note: for further details, refer to **CLEAN CARGO** MSDS

CLEAN CARGO is made under the strict control of Reinol-Janek Chemicals (Pty) Ltd.
