REINOL®

FinnSonic

PRODUCT DATA SHEET: GLEAMOL GENERAL PURPOSE CLEANER (GLEAMOL)

GLEAMOL Liquid Detergent has been specially formulated to quickly remove grease and general grime from all hard surfaces, with particular strength for dishwashing, yet remains mild and gentle to hands.

PRODUCT USE

GLEAMOL is an excellent grease cutter with high suds retention, and may be used on all pots and pans, kitchen utensils, glassware, floor surfaces, painted surfaces, such as motor cars, and will dry film free after rinsing.

GLEAMOL's lotionized formulation and neutral pH, makes it gentle on hands without diminishing its heavy duty cleaning ability.

PRODUCT DESCRIPTION

Form	Syrup
Colour	Red
Solvent	None
pH (concentration)	8.0 – 9.0

DIRECTIONS FOR USE

1. Squirt/pour a small amount of **GLEAMOL** into your wash bowl under running water.
2. Best results with warm water.
3. Rinse thoroughly.

PRECAUTIONS

- Avoid contact with the eyes.
- Keep out of reach of children.

FIRST AID

In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

If swallowed, do not induce vomiting, seek medical advice immediately and show container or label.

Note: for further details, refer to **GLEAMOL** MSDS

GLEAMOL is made under the strict control of Reinol-Janek Chemicals (Pty) Ltd.
