PRODUCT DATA SHEET: REINOL HAND CLEANER (REINOL)

REINOL is a unique heavy-duty hand cleaner which relies on quality natural ingredients to clean and improve the skin of anyone who needs to clean their hands.

PRODUCT USE

Natural oils and soaps comprise the base of **REINOL**, and these enter the pores to remove heavy soil and grease, leaving the skin improved after every usage of the product. Specially selected fine round, degemerinated sand gently eases out ingrained dirt, ensuring total, satisfactory cleaning.

PRODUCT DESCRIPTION

Form	Paste
Colour	Yellowish / Grey
Solvent	None
pH (concentration)	9.5 to 10.5

DIRECTIONS FOR USE

1. Using approximately one teaspoon, work Reinol **dry** into the hands. Note how Reinol picks up the grime.
2. Add a few drops of water and continue the cleaning process.
3. Finally add more water to dissolve Reinol, and rinse clean with the running water.

PRECAUTIONS

- Avoid contact with the eyes.
- Keep out of reach of children.

FIRST AID

In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. If swallowed, (small amounts), not injurious (larger amounts) call physician if indisposed.

Note: for further details, refer to **REINOL MSDS**

REINOL is made under the strict control of Reinol-Janek Chemicals (Pty) Ltd.
